I hereby declare that the owners of the above fixed property – which is assessed as an agricultural property unit – have appointed me as proxy in accordance with the Act (1989:31) on Administration of Certain Jointly Owned Agricultural Property.

According to the above act, the proxy is responsible for the ongoing administration of the property in accordance with the guidelines and instructions issued by the co-owners. However, the act does not provide the authority to transfer the property or part of it, to mortgage or pledge the property or to grant usufruct or other rights to the property for a period longer than five years or for someone's lifetime. Nor does the proxy have the authority to grant usufruct to the property if the agreement can be extended at the request of the usufructuary. This means that if the proxy is to be able to do any of this, he/she requires another form of authority, such as a power of attorney from the co-owners.

I hereby certify on my honour that the provisions in the Act (1989:31) on Administration of Certain Jointly Owned Agricultural Property have been observed in the selection of proxy.
