\* If there is filer number registered with Lantmäteriet, address details are not required. A filer number is required if you have multiple cases and wish to receive a combined invoice.

### 4. Specify what the application relates to (e.g. registration of new or cancellation of existing contractual easement or usufruct)

## 5. Additional information

## 6. Signature of applicant

---

Signature

---

Clarification of signature

### Keep in mind that

- When applying for registration of contractual easement or usufruct, attach the agreement on easement or usufruct in the original.
- Please attach a simple map or sketch of the property indicating the boundaries of the right in question (road, well, line or whatever it concerns).
- If the applicant is a legal entity, attach a document indicating that the undersigned is authorised.
- Check that all information is correctly filled in.
- If you have other questions about your case, please contact Lantmäteriet's Customer Support Centre at +46 (0)771-63 63 63.
